May 29 – June 1, 2013

30th Annual Meeting of the Canadian Biomaterials Society

The 2013 Annual Meeting of the Canadian Biomaterials Society (CBS) will cover fundamental aspects of biomaterials research and also extend the scope to emerging clinical issues and challenges.

Specific topics will include:

- * Orthopaedic, dental, cardiovascular, ophthalmic biomaterials, skin substitutes, blood substitutes and other medical applications
- * Tissue engineering and regenerative medicine
- * Controlled drug release
- * Biosensors, bioMEMs and biomaterials for clinical diagnostics
- * Emerging challenges of artificial joints
- * Biomaterials product development, ethics and regulations

CALL FOR ABSTRACTS
SUBMISSION DEADLINE: JANUARY 18, 2013

HIGHLIGHTS:

- Plenary lectures/Keynote addresses by world-leading scientists, clinicians and biomedical industry leaders
- Faculty and student oral and poster presentations
- Networking social event
- Exhibition hall
- A must attend event for researchers, students, clinicians and biomedical industry leaders

Welcome to... Bonjour de...
Ottawa, Canada

Dear Colleague,

On behalf of the Organizing Committee, I am pleased to invite you to the 30th Annual Meeting of the Canadian Biomaterials Society (CBS) in Canada's National Capital, to be held on May 29 - June 1, 2013.

An exciting program awaits you, featuring lectures from renowned keynote speakers, presentations from invited clinicians, as well as oral and poster sessions covering various aspects of biomaterials research! Unique to our 30th meeting event, we are delighted to announce that the University of Ottawa's Office of Continuing Medical Education (CME) will be co-developing this event with us.

This 2 ½ day meeting will take place on the campus of the University of Ottawa, ideally located in downtown Ottawa and close to the historic Byward Market and famous Rideau Canal. We encourage you to register early for this educational and interactive conference and we look forward to meeting you in Ottawa in May 2013!

Sincerely,

Isabelle Catelas, Ph.D.

*Associate Professor and Canada Research Chair, University of Ottawa
Host Chair of the 2013 CBS Annual Meeting*
