

Welcome to Winnipeg, Manitoba Canadian Biomaterials Society

33rd Annual Meeting of the Canadian Biomaterials Society (CBS) May 24-27, 2017 at the University of Manitoba

Call for Abstracts

Submission Deadline: **March 10, 2017**

Topics include but are not limited to:

- Biomaterials for tissue/organ substitutes
- Tissue engineering and regenerative medicine
- Controlled drug release
- Biosensors, bioMEMs and biomaterials for diagnostics
- 3D printing and their medical applications
- Bio-interface, bio-adhesion, interactions between biomaterials and cells/organs

Keynote speakers for the meeting include pioneering researchers and clinicians:

[Dr. Guillermo A. Ameer](#) (Northwestern University)

[Dr. Jason A. Burdick](#) (University of Pennsylvania)

[Dr. Ren-Ke Li](#) (University of Toronto)

[Dr. Milica Radisic](#) (University of Toronto)

[Dr. Hongbo Zeng](#) (University of Alberta)

[Dr. Jun Wu](#) (Institute of Burn Research, Southwest Hospital, President-Elect, Chinese Burn Association)

Please visit <https://biomaterials.ca/> for abstract submission and registration information
