

5th International Symposium of Surface and Interface of Biomaterials

held in conjunction with

24th Annual Conference of the Australasian Society for Biomaterials and Tissue Engineering (ASBTE)

Sydney, Australia, 7 – 10th April, 2015

www.issib2015.smalltalkevents.com.au

Registrations Now Open!

Abstract Submission Deadline: **17 November 2014**

Plenary Speakers:

Prof **MICHAEL GRUNZE** (University of Heidelberg, Germany)

Prof **MILICA RADISIC** (University of Toronto, Canada)

Prof **MARTINA STENZEL** (University of NSW, Australia)

Topics: bio-interfaces, antimicrobial coatings, analysis of biomaterial surfaces & interfaces, biomolecules & cells at surfaces & interfaces, nanoparticles, drug delivery, scaffolds, implantable devices, stem cells, biopolymers, biomechanics, tissue engineering, functional coatings, patterned biomaterials, nanofabrication, bioreactors & biosensors.

5TH ISSIB 2015

 **ASBTE**
The Australasian Society for Biomaterials and Tissue Engineering
