

BRENDAN GRIBBONS

Address: Apt. 16 – 570 Rue Milton
Montreal, Quebec, H2X 1W4
Tel: No.: (514) 946 9441
E-Mail: brendan.gribbons@mail.mcgill.ca

EDUCATION

Dates: September 2010 – April 2015
Degree Title: Bachelor of Engineering
Department: Materials
University: McGill University

SUMMARY OF QUALIFICATIONS

Last Annual GPA: 3.69
Cumulative GPA Since Entry into Program: 3.21
Technical Skills: Excel (Advanced), AutoCAD (Intermediate), Microsoft Office: (Advanced), Adobe Dreamweaver (Intermediate), Fortran (Intermediate), C (Intermediate), SAP (Intermediate).

- Thorough knowledge of gas-turbine engines.
 - Experience in interpreting engineering drawings.
 - Experience in working in materials laboratories.
-

EXPERIENCE

Dates: August 2013 – December 2013
Job Title: Component Engineering Undergraduate Intern
Company Name, City: Pratt and Whitney Canada, Montreal

Description of job:

- Worked closely with the engineers to reduce the number of Engineering Inquiries regarding engine components outside of manual repair limits.
 - Daily tasks included analyzing data, presenting findings to large groups, interpreting engineering drawings, working with components hands-on, and submitting additions or changes to the procedures in the repair manuals.
 - Facilitating effective communication between engineering groups and shop technicians led to a significant decrease in redundancies in the repair process.
-

Dates: May 2012 – August 2012
Job Title: Undergraduate Researcher
Company Name, City: McGill University, Montreal, Quebec

Description of job:

- Worked with Professor Kristian Waters through the Summer Undergraduate Research in Engineering Program (SURE). Studied the effect of microwave-assisted-thermally-assisted comminution on rare earth ore.
-

- Responsible for developing research plan, performing all lab work for project and compiling and analyzing results.
 - Presented research at a number of McGill functions.
-

Dates: May 2011 – August 2011

Job Title: Saugeen Track and Field Club Summer Administrator

Company Name, City: Saugeen Track and Field Club, Port Elgin, Ontario

Description of job:

- Chaired organizing committee for The Canada Day Classic, a road race that raised over \$1000 for The Saugeen Track and Field Club.
 - Coached junior athletes who won over 15 medals at the Ontario Provincial Championships.
 - Organized STFC annual barbeque and awards ceremony.
 - Performed administrative tasks including meet entries, results archiving, sponsorship allocation and managing finances.
-

ACHIEVEMENTS

2012: Recipient of Summer Undergraduate Research in Engineering Award
(NSERC/McGill funded scholarship for undergraduate research)

2010, 2011: Saugeen Track and Field Club Percy West Award for Leadership

2010: Recipient of Southampton Rotary Scholarship for being a prominent citizen in Saugeen Shores, Ontario.

INTERESTS

Elite triathlete. Train 18-25 hours per week and compete at the international level.
Aspiring to compete in world cup events.
